They're all over the news and social media: ads encouraging people to buy locally. Today you will learn about the benefits of buying locally. You will then create a poster that explains these benefits to encourage others to buy locally.

What does it mean "to buy locally"? In your own words, write a definition of the term "to buy locally" (Appendix 1). Discuss your definition with a friend or a family member. Add to or modify your definition.

Make a list of all the local businesses you know that sell local products or produce. Discuss the list with a friend or a family member and add more businesses to your list. Use the Internet if necessary (Appendix 2).

Before watching the video, fill out columns 1 and 2 of the KWL chart (Appendix 3).

Add information to column 3 after watching the video.

Read the text to learn more about the benefits of buying locally. Add more information to column 3 (Appendix 3).

Reflect on what helped you understand the texts (e.g. the images, words that resemble French, your prior knowledge).

Discuss the following question with a friend or a family member:

- How would buying locally benefit your family?

Create a poster to share the benefits of buying locally and to promote this trend in your area.

Plan your poster. (Appendix 4). You may create your poster onscreen or on paper.

- Your writing purpose: to inform
- Your audience: consumers in your area

Optional: Share your poster with a local business or post it on a social media site encouraging consumers to buy locally.
